**Item Description:** Best Seller! Named after one of the most unspoiled beaches in the world, Costa's Anaa sunglasses put the play in a day on the playa. Rocking a full-coverage teacup shape, these polarized Costa woman's sunglasses are the best fit and friend of beachcombers who spend their days under the sun casually cruising the boardwalk or voyagers who grab their surfboards and get on the water to hunt for their next great adventure. (Frame Width - 125mm, Bridge Width - 16.6mm, Lens Width - 55.4mm, Lens Height - 43.2mm, Temple Arm Length - 129mm)

- Frame Fit - Medium
- Lens Material - Polarized Plastic, 580P
- Heavy-duty TR-90 nylon frame
- Includes Costa Case & Cleaning Cloth
- 100% UV light blockage for max protection
- 100% polarization kills reflected glare and reduces eye strain
- Built by hand and backed for life. Every pair of Costa sunglasses include a lifetime warranty.
